A black and white photograph of a man with dark, curly hair, wearing a dark suit jacket, a light-colored vest, a white shirt, and a dark tie. He is sitting at a desk, looking directly at the camera with a serious expression. His hands are resting on the desk. The desk is cluttered with various items: several sheets of paper, some of which are open and show text; a magnifying glass; a small, dark, round object; and a small, dark, rectangular object. The background is dark and indistinct, suggesting an office or library setting. The lighting is dramatic, with strong highlights on the man's face and the desk, and deep shadows in the background.

The mutual confidence on  
which all else depends  
can be maintained only  
by an open mind and a  
brave reliance upon free  
speech.
